

THE BEST GIFTS COME IN SMALL PACKAGING!

Make a donation to help the Friends raise funds to buy space-saving cases and fixtures for the library.

The Huntley Area Public Library's Friends Foundation needs your help. The Friends are spearheading a fundraiser to help the library purchase materials to repackage DVDs and CDs to make more floorspace available inside the library.

We hope you will consider giving to the Friends Foundation! Your donation will help the Foundation purchase smaller, plastic sleeve packaging for DVDs and CDs, more efficient shelving for magazines, or more efficient furniture with the goal of freeing up space in our over-crowded library. Plastic sleeves could reduce shelf space needed for the current DVD and CD collections by up to two-thirds!

Donations can be made to the Friends Foundation, a 501(c)(3) tax deductible charity, by credit card, check or cash.
