## Noteworthy Summer Reading

All programs at the library are sponsored by the Friends, including reading programs. This year Friends funded reading programs primarily through a \$6,500 grant received from the EFS Foundation. 3,192 patrons signed up for the 2016 summer reading program. Friends helped kick off summer reading registration by giving away folders to participants. Kona Ice was at the library during summer reading registration and donated 20% of sales to the Friends.
