Happy New Year!

What a year! Friends raised nearly \$60,000 this year AND were actively involved in helping the Huntley Area Public Library pass a building and renovation project in April. Friends donated money to and spent hours volunteering for the Citizens for Library Yes! committee. Each of you were part of bringing a bigger and better library to our community. Your support comes in many ways including through your membership, donations, volunteering at any one of our many fundraisers and by being library ambassadors every day of the year. As 2020 begins, evidence of the library growth will be seen as construction fencing is put in place, trailers are demolished, and new construction begins.

THANK YOU to our lifetime corporate donors!
