2023 Fundraising Goal

Our community has been very generous with the Friends over the years. The Friends have raised \$899,000 for the Huntley Area Public Library from 1990 through 2021.

We hope to have raised another \$50,000 in 2022. Our goal for 2023, is to raise \$50,000+ so we can reach the milestone of raising One MILLION dollars for the library. We hope you will consider helping us reach our 2023 goal by supporting Friends fundraising events that can be found on the back page of the library newsletter.

Friends support and promote literacy through volunteering, fundraising, programming, and events. The Friends support helps connect even more people to the library and the endless possibilities it offers.

Corner Books
