Nominations for the Friends Foundation Board of Directors, July 2023

The board is made up of nine board members - President, Vice President, Secretary, Treasurer, and five members at large.

Board members are elected each year. The current board has agreed to run again so will be on the ballot in July. However, the board is one member short.

The board would like to fill that open position. Would you consider serving?

If you are interested in running for the board, please let us know!
